

Wendland Roof Lantern Measurement Guide

01

Uprand Size

We recommend the following:
Width: 70mm (minimum)
Height: 150mm (minimum)

02

Lantern Size

The lantern you order should be the exact measurement of the external of your upstand.

03

Example

Rooflight size: 2000mm x 1000mm
External upstand: 2000mm x 1000mm
Upstand width: 70mm (140mm all round)
Opening size: 1860mm x 860mm
